MESSAGE

It gives me immense pleasure to provide opportunity to young, talented and aspiring youth having urge to acquire highly professional education in new emerging areas of Business Management. The MBA (SEM) is one of such programs successfully conducted by this University at CDAC Noida since last three years. This programme primarily aims to prepare young energetic students to manage industries through exposure of latest management, tools and techniques in current complex business scenario. Through this highly professional course, students will learn to configure and map various business processes of the organization relating to functionalities like Financial Accounting, Sales, Manufacturing and Human Resources in an integrated manner so as to improve the overall productivity of the organization.

CDAC, Noida is a Scientific Society of Ministry of Communication and Information Technology, Govt. of India and has excellent relations with corporate world and also has impressive infrastructure and resources for running such a highly professional and useful course. I, therefore, call upon youth of today, aspiring for professional skill and talent to avail the opportunities provided by University through this programme. I have no doubt that your decision to join the University for this programme will improve your job opportunities and help you to become successful Business Managers needed by the industries.
