

## **“Third Industrial Liasioning Workshop” on 15th January 2011**

**organised by**

### **Information Technology Consultancy Clinic(ITCC).**

The pioneering activities in the academic wing of C-DAC, Noida is Information Technology Consultancy Clinic (IT-CC), (initially started with support of DSIR, Govt. of India, now being run independently by CDAC, Noida), which is aimed at providing incubation facilities for the SME sector. It also functions as a Vendor Development Unit for the Teaming Partners who provide the maintenance, training & handholding and other support for the various projects C-DAC, Noida undertakes outside its campus.

In order to strengthen the above activities, CDAC, Noida is organizing “Third Industrial Liasioning Workshop” on January 15, 2011 at CDAC Auditorium, B-30, Sector – 62, Noida – 201307, with objectives:

- Identifying and developing Entrepreneurial partners for outsourcing the products and services developed by C-DAC Noida.
- To display inbuilt software solutions of C-DAC Noida.
- To promote IT advisory services of IT-CC.

The workshop intends to identify entrepreneurial partners for providing FMS, Operationalisation, Maintenance and Hand Holding Support to C-DAC for its software Projects in

- Hospital Management System in Rajasthan and NCR
- Digital Library
- Content Development for e-Learning solutions
- National Population Register

**Multiplier Grant Scheme of Govt. of India will also be explained in the workshop.**

All SMEs, Entrepreneurs, Researchers, Innovators and Individuals are invited to attend the workshop on 15<sup>th</sup> January 2011 to prequalify you as Teaming Partner with CDAC by sending the filled in [registration form](#) on or before 10<sup>th</sup> January 2011. Schedule of the workshop will be uploaded soon.
